HOW DID YOU HEAR ABOUT THE ACADEMY? _____

HUNTINGTON PARK POLICE DEPARTMENT CITIZEN POLICE ACADEMY

What is Citizen Police Academy

The Huntington Park Citizen Police Academy was created to bring a closer working relationship between the Huntington Park Police Department and the citizens of Huntington Park. The purpose of the Academy is to promote understanding between the community and law enforcement through education and interaction with members of the Huntington Park Police Department. The instruction will increase police awareness and a rapport with the community

The Citizen Police Academy is conducted over an 11-week period. Students will gain an overall Knowledge of the Huntington Park Police Department: how we are organized, how we serve the community and who the people are that respond when citizens call. The program allows citizens and police officers to interact and see the police department from different points of view.

How is the Academy Set up?

The class is made up of members of the Huntington Park Community. The Department conducts one Academy a year.

The Academy meets once a week on Thursday from 6:00-8:00 p.m. at the Huntington Park Police Department. Participants will be taught by police executives, police officers and civilian employees.
